

Small Mammal Safari

Join us for an exciting, one-of-a-kind Small Mammal Safari!

What's a Small Mammal Safari?

This is a fun and practical educational experience where you can participate in:

- **Learn** - Discover the importance of these small, often overlooked heroes of the ecosystem.
- **Practical** - Join a hands-on field excursion.
- **Trap** - Help place and set live traps.
- **Identify** - Learn how to identify these tiny creatures.
- **Data** - Record valuable field data.
- **Release** - Release them safely back into the wild!

Program Schedule

Saturday Afternoon

15h30 - 16h00: Introduction to small mammals

16h00 - 17h30: Field excursion (mixing bait & setting traps)

Sunday Morning

07h00 - 09h00: Field excursion (checking traps, identifying species, data recording, and release)

What to Bring

- Comfortable walking shoes & a hat
- Camera (optional)
- Notepad (optional, no exam required!)
- A keen spirit to learn and explore something new!

Costs: R520/adult | R480/child
